Professional Summary

Aspiring Software Engineer and AI & Machine Learning undergraduate with hands-on experience in Java, SQL, HTML, CSS, JavaScript, and Spring Boot. Skilled in developing responsive web applications and full-stack projects. Strong problem-solving abilities with a passion for learning new technologies and contributing to innovative software solutions.

Projects

LeukoNet – Deep Learning Based Leukemia Classification System

- Worked on LeukoNet, a team-based deep learning project developed for leukemia classification using blood cell images.
- Contributed to the project by developing the frontend interface to create a responsive and user-friendly experience.
- Collaborated with team members to integrate the frontend with the backend prediction system and display classification results effectively.

Student Management System – Full Stack (Java + Spring Boot)

- Developed a full-stack Student Management System using Java and Spring Boot to manage student records efficiently.
- Implemented RESTful APIs to perform CRUD operations and integrated MySQL database using JDBC for data persistence.
- Designed a responsive user interface using HTML, CSS, and JavaScript for managing student data.

Bus Reservation System (Java Console Application)

- Designed and developed a console-based bus ticket booking system using Core Java, OOP principles, and ArrayList collections.
- Implemented modules for bus listing, seat availability validation, and ticket booking logic while ensuring clean, modular, and maintainable code.

Skills

Programming Language: Java, SQL

Core Concepts: Object-Oriented Programming (OOP), Collections

Frontend & UI: HTML5, CSS3, JavaScript, React.js

Database: MySQL

Dev Tools & Platforms: Git, GitHub, Eclipse IDE, Visual Studio Code

Education

SNS College of Technology

Bachelor of Technology in Artificial Intelligence & Machine Learning

2022-2026

CGPA: 7.7

Govt Higher Sec School

Higher Secondary Education

2021-2022

Percentage: 78.8%

Govt Higher Sec School

Secondary Education

2019-2020

Percentage: 72.6%

Certifications

- Workshop on Web Development – Bannari Amman College of Technology
- Java Full Stack Development – QSpiders
- Data Structure - Infosys Springboard
